

Traffic Officers Car Park Management

We provide a unique and professional approach to all traffic solutions and parking enforcements tailored to suit your specific requirements.

Pagoda Security has vast experience in providing solutions to traffic management ranging from an individual parking bay to major shopping complex car parks. Whatever your traffic problems, you can be assured we will solve it efficiently and effectively. Our Traffic Officers undergo specific training in health & safety and traffic management alongside customer care and conflict management training. This allows them to operate your parking facilities in a safe, professional and responsible manner. We provide a full range of parking solutions which include:

- **Ticket Warden Mobile Patrols - Issuing of PCN's (enforcement notices)**
- **Pay and Display Machines (installing, maintaining, cash collecting)**
- **Self ticketing services**
- **Permit databases**
- **ANPR systems**

How can we help you?

Got a car parking issue? Call us today 01273 621323 and we would be happy to meet with you to discuss your traffic management requirements. We would then respond with our proposals of how we might be able to help for you to review and respond (without any further obligation).

what our clients say...

“ We have been using Pagoda Security for almost 2 years now, controlling the parking spaces at the business and assisting in the removal of illegally parked vehicles. They respond quickly and efficiently to our calls and have never let us down. Their signage is generally enough to deter people from parking illegally anyway! ”
